vBeach

Visitor magnet and
Eye Catcher

Power of Attraction

in showrooms and fairs

The effective use of vBeach can unleash in showrooms and at trade shows. You can develop a zone with vBeach fitting to your ambience in which you create audiovisual and scent stimuli that ensures a pleasant and exceptional experience for your customers.

In this feel-good setting you will succeed even better to draw attention to your products and services, stand out from competitors and to get the results you want through **world-of-mouth advertising**.

Fair stand

Starting from a floor area of approximately 4 x 4 meters, you can create your own beach visitor magnet. The product presentation alone is nowadays not enough. **Excitement** and positive emotions drive sales.
