

If your guests cannot  
go to the  
**beach,**

why not bring the  
beach to them?

Ultimate Relaxation

**Wellness**

# Ultimate Relaxation

The effective use of vBeach can unleash in wellness area in many places. You can develop a zone with vBeach fitting to your ambience in which you create audiovisual and scent stimuli that ensures your clients visits will be pleasant and become an exceptional holistic experience.

If desired, we work together with local interior designers to provide the best solution for versatile and individual application of vBeach based on your needs.

## Wellness Corner

Starting from a floor area of approximately 4 x 4 meters, you can create your own oasis of relaxation and recharging with vBeach. That shows that you and your house offers innovative solutions for individual needs.
